**Nelipak Healthcare Packaging strengthens its team with the appointment of
Group Marketing Manager**

CRANSTON, Rhode Island, USA (Feb. 28th 2014) - Nelipak Healthcare Packaging, a leading provider of custom thermoformed Medical Device and Pharmaceutical packaging, is proud to announce the promotion of Seán Egan to the role of Group Marketing Manager.

Egan, who joined Nelipak Healthcare Packaging in 2006, previously held the position of Business Development Manager for the group's Irish operation. While in this role he led marketing activities in support of the European operations building both brand and product awareness among existing and new customers. In his new position Seán will continue to lead marketing programs across all Nelipak locations, this will see him develop the Nelipak brand as a leading, innovative quality driven company in our chosen markets.

Seán brings to this position a strong background for the role with over 25 years' experience in sales and marketing roles, 16 of those in Print and Packaging working with the Software, Electronics, Medical device and Pharmaceutical sectors. Seán holds qualifications from the British Printing industry Federation, Irish Management Institute and Dublin Business School. He will play a pivotal role in the identification, development and delivery of new exciting products and services to the market establishing Nelipak Healthcare Packaging as the partner of choice to the industry.

About Nelipak® Healthcare Packaging

With facilities in Cranston, RI; Venray, the Netherlands; Galway, Ireland; and San Jose, Costa Rica, Nelipak® Healthcare Packaging designs, develops and manufactures custom thermoformed packaging products that provide superior protection for medical devices and pharmaceuticals. The company offers medical trays and blisters, surgical procedure trays, pharmaceutical handling trays, custom built sealing machines and other value added services. Nelipak® Healthcare Packaging customers consist of some of the largest and most reputable medical device and pharmaceutical companies in the world. With over 500 employees worldwide, Nelipak® is focused on delivering superior quality and customer experience through world class manufacturing at each of its locations.

Nelipak® Healthcare Packaging is a trade name of Nelipak Corporation
